**SportLife QH**

[www.evolveo.com](http://www.evolveo.com)

Dear customer,  
thank you for choosing the EVOLVEO SportLife QH. We believe they will bring a lot of fun and happiness.

## Putting into the operation

- Charge the earphone batteries fully via a microUSB cable connected to the USB port on your computer or the 230 V charger that you use for your mobile phone (5V / 0.5 ~ 1A). The LED will shine steadily red during charging and it will go out when charging is done.
- Turn the earphones on by holding the centre  button for 2 seconds. You will hear an audio signal conforming that the earphones are on and the LED diode will flash blue.

## Pairing (connection with the device)

- press and hold the  button for 4 seconds when the earphones are off (the LED will flash blue and red and you will hear a "pairing" voice notice).
- Activate the Bluetooth function in your phone and select EVOLVEO SportLife QH

from the available list.

- When pairing with your phone is done, you will hear a conforming audio signal and you will be able to listen to music wirelessly.
- If there is no sound, increase the volume level on your phone and earphones.
- If you do not see your earphones in the device list, make sure they are in pairing mode and your mobile phone is visible to the surrounding Bluetooth devices.
- If a PIN code is required, enter the code "0000".

## Control functions

- **Turning off:** Press and hold the  button for 3 seconds, you will hear an audio signal and the LED diode will flash red
- **Play/pause:** press the  button to play/pause music.

„First read “Frequently Asked Questions”

[www.evolveo.com](http://www.evolveo.com) or contact:

### **EVOLVEO - TECHNICAL SUPPORT**

[www.evolveo.com/en/support](http://www.evolveo.com/en/support)

### **The warranty DOES NOT APPLY to:**

- using the headphones for other purposes than they were designed to
- electrical or mechanical damage caused by improper use
- damage caused by natural elements such as fire, water, static electricity, power surges etcetera
- damage caused by an unauthorized repair

- damage to the guarantee seal or an unreadable serial number on the device
- the battery capacity drops after 6 months of using (6-months battery life warranty)

### **Disposal**

The symbol of crossed out wheeled bin on the product, within the literature or on the packaging reminds you that in the European Union, all electric and electronic products, batteries and accumulators must be stored as assorted waste after the end of their service life. Do not throw these products into the unsorted municipal waste.

### **DECLARATION OF CONFORMITY**

Hereby, the company Abacus Electric s.r.o. declares that the EVOLVEO SportLife QH earphones are in compliance with the requirements of the standards and regulations, relevant for the given type of device. Find the complete text of Declaration of conformity at <ftp://ftp.evolveo.com/ce>
