## EVOLVEO StrongPhone Z3

### Waterproof rugged 3G phone with a long-lasting battery

If you need a phone capable of an extremely long-lasting performance, this model is the right choice. Thanks to the phone's durable and waterproof body together with a high capacity 2 800 mAh, you can easily use the phone for many days. With 3G support and WiFi HotSpot, you can share Internet with other devices. Maximum durability, outdoor design and long-lasting battery make this phone a universal solution to use at home, in the workshop, at construction sites, in a difficult terrains, in really cold temperatures all the way up to at high temperatures and humidity. The phone can handle water, mud, snow, high or low temperatures, dust and rough handling.

### Built-in Flashlight

Extremely powerful flashlight with a support for the SOS mode is controlled by a dedicated button on the keypad. It also delivers significantly more light compared to common mobile phone flashlights.
